Kipruto Arap Kirwa, IGAD Facilitator for the Somalia Peace and National Reconciliation as well as the statements made by the Chairperson of the IPF and the Representative of the League of Arab States, representative of UNPOS, as well as statements made by IGAD Chairperson and Heads of Delegations of the Member States.

2. **Recalls** with serious concern the recent developments among the leadership and members of the Transitional Federal Government (TFG) and the Transitional Federal Parliament (TFP) of Somalia that gave rise to uncertainties among the population of Somalia as well as the region and the international community at large; **regrets** that valuable time and resources that could have been used to address priority issues of the state were unduly wasted due to the wrangling and recriminations among the leadership of the Transitional Federal Institutions (TFIs).
3. **Recognises** that the problem created within the Parliament has been defused with the election of the former Deputy Prime Minister and Minister of Finance, Sharif Hassan Sheikh Adan as the new Speaker of Parliament. **Expresses** confidence in the leadership of TFG and acknowledges the continued efforts by the President and Prime Minister in their efforts to restructure the cabinet. **Council congratulates** the Parliament for handling the recent crisis responsibly.
4. **Expresses** confidence in the leadership of the TFIs to address fully the outstanding issues including the formation of the Cabinet. While appreciating support and assistance being rendered to Somalia by the International Community, **Council underscores** the importance of allowing the TFIs to undertake necessary consultations without undue external pressure and interference.
5. **Urges** the leadership of the TFIs to forge ahead in unison and tackle the numerous tasks that are essential to pacify Somalia and lay the foundations for the reconstruction and development of the country. In this regard, **Council underlines** more specifically that the TFIs are expected to take expeditious measures to put in place the administrative and governance structures and institutions of Somalia and accomplish all tasks as envisaged in the Transitional Federal Charter (TFC)
6. **Commends** the TFG and Ahlu Sunna Wal Jama'a (ASWJ) on the agreement they signed on 15<sup>th</sup> of March 2010, at the AU Headquarters in Addis Ababa, as a major and positive development that would have far reaching positive implications for the peace and national reconciliation endeavours underway in Somalia. **Council notes** that the agreement demonstrates, once again, that the TFG is committed to its pledges to pursue a policy of outreach and national reconciliation throughout the country and also **underlines** that the agreement has strongly been welcome by the international community.
7. **Strongly urges** the leadership of the TFG and ASWJ to implement the agreement as soon as possible so as not to lose the positive momentum and in order to achieve the full integration of the security forces and administrative structures of the ASWJ to that of the TFG. In this connection, **Council requests** the partners and the International Community to remain committed in fulfilling their pledges.
10. **Condemns the** terrorist attacks launched by the extremist elements especially by the Al-Shabab and Hizbul Islam militia causing loss of civilian lives, injury and destruction of property leading to massive displacement of the population within and outside Somalia. **Council expresses** its support and solidarity with the people and the Transitional Federal Government of Somalia in their fight against extremist forces who continue to destabilize Somalia causing immense suffering including abuse of human rights.
11. **Reiterates** the commitment of the Member States of IGAD to work in partnership with the international community and enable the TFG to assume full control over the territory of Somalia. In this connection **Council appreciates** the support that has been rendered by the partner countries and organizations in the training of the Somalia security forces upon TFG's request.

In this regard, calls upon the TFG to reorganize its security forces structure aimed at unifying all its regional commands under a central command. **Council emphasizes** that the troops being trained to serve in the security forces of the TFG have to be logistically supported and remunerated.
13. **Further calls upon** TFG and AMISOM to work out agreeable rules of engagement within the context of the mandate of AMISOM and establish a structured coordinating mechanism to ensure a smooth working relationship between the TFG and AMISOM security forces.
